### **Welcome to 6<sup>th</sup> grade!!**

Who is Mrs. Mitchell?

I am a wife and my husband's name is Rob. We have 3 daughters: Robin is 26, Becca is 22, and Jillian is 19. I love math!!! I want to share my excitement about math with you. In my spare time, I watch a lot of Dr. Who programs, I enjoy time with my family, and I love travelling. I went to Los Angeles, CA this summer with my youngest daughter.

I have been a teacher for 3 years with this current year being my 4<sup>th</sup>. I am so excited about this school year!! I have really missed my students' smiling faces.
