 - \$80 (Oct. 2-Feb. 1)
 - \$90 (Feb. 2- Mar 7th)

Guidance Department

- Senior letters were given out in advisement 9/13/23. A parent/guardian must sign the yellow copy and the student returns it to their counselor before Fall Break.
- College information
 - If you need an SAT or ACT for your college and have not yet taken either, please sign up to take your test ASAP. If you qualify for free and reduced lunch, you may receive a fee waiver for the SAT, ACT, and college applications. To qualify, you must have completed the application and qualified for free/reduced lunch.
 - If you have not already created a GA Futures account, please do that ASAP. This is the only way to check your HOPE GPA, which is different from your GPA on your transcript.
 - If you require a letter of recommendation for your college application, please go to the counseling website and complete a brag sheet. Please allow up to 10 days for your counselor to complete your letter once you submit a brag sheet.
 - Colleges will need your *official* high school transcript as part of the application. To send college in-state, please go to GA Futures and select "transcripts." For out of state schools, please go to the counseling website and select "transcript request" and complete the form.
