

Graduation Plan

Class of 2026

Senior Advisement for Graduates & BRIDGE Law

To the Parent(s) or Guardian of _____,

Congratulations on your son/daughter reaching his/her senior year. Transcript history and academic progress can be found under the student's Academic Progress Tab of the Infinite Campus Portal. **Students who anticipate graduating this school year, must earn a minimum of 23 units of credit in grades nine through twelve. (Please note: Student must have at least 17.0 earned credits to be classified as a senior and be in his/her 4th year of high school.)**

High School Diploma Requirements	
Areas of Study	Units of Credit
English/Language Arts***	4 units
Mathematics***	4 units
Science***	4 units
Social Studies***	3 units
Health and Physical Education	1 unit
CTAE and/or World Language and/or Fine Arts Student is encouraged to complete a pathway in one of the above areas. Student must earn a minimum of 3 full credits in CTAE, World Language or Fine Arts to graduate. <i>2 units of the same World Language for admission to colleges and universities</i>	3 units
General Electives	4 units
Total Units Required for Graduation	23 units
***Research, Regional, and State institutions of The University System of Georgia may require additional units in academic core areas.	

Important Facts About the HOPE Scholarship

All core academic courses (required or elective) are included for a student to qualify for the HOPE Scholarship. For the most recent HOPE and Zell Miller Scholarship information provided by Georgia Student Finance Commission, please use the following link:

<https://www.gafutures.org/hope-state-aid-programs/>

In addition, students may view their HOPE scholarship eligibility grade point average by using their account on the www.GAfutures.org website (MyGafutures). All graduating students must have **4 rigorous courses** identified by Georgia Student Finance Commission to qualify for the HOPE Scholarship. This is entirely the responsibility of the student to ensure they meet HOPE Requirements.

HOPE Grant

Georgia's HOPE Grant is available for students who opt to work on a certificate or diploma program at an eligible college.

<https://www.gafutures.org/hope-state-aid-programs/hope-zell-miller-grants/hope-grant/>

The Infinite Campus Progress Tab (MYAP Tool) is used to review the Individual Graduation Plan as well as transcript history. Also, You Science data is maintained under SLDS within the Infinite Campus portal.

BRIDGE Law, Georgia's state-mandated advisement that begins in elementary school, requires that students select an after high school career option in grade 12. Your student's career plans are indicated in chart below:

Options	
<input type="checkbox"/> 4-Year College/University	<input type="checkbox"/> Military
<input type="checkbox"/> 2-Year College/University	<input type="checkbox"/> Work
<input type="checkbox"/> Technical College	<input type="checkbox"/> Other

Your student, his/her parent or guardian, and the professional school counselor review information during the Senior Advisement opportunity. School counselors have the specific date and time of the Senior Advisement opportunity that involves parents/guardians. If you have questions at any time throughout the school year, please call your student's counselor.

I understand and acknowledge the importance of all senior advisement information including all graduation requirements. Therefore, this document, if not signed at the senior advisement opportunity, is to be returned with signatures within five school days. Please carefully review the list of specific requirements on page 2.

Graduation Requirements for Students Graduating Under IHF6 Rule

**2025-2026
TO GRADUATE**

Student's Name _____ **Student's ID No.** _____

COURSES

I understand that I must pass the following courses during the school day:

- ☐ GSE Algebra II**, Advanced Algebra C & C, or GSE Pre-Calculus
- ☐ Advanced Math Decision Making* or Statistical Reasoning*
- ☐ Other 4th Math: _____
- ☐ AP Calculus or AP Statistics
- ☐ 4th English _____
- ☐ 4th Science _____
Please note: A CTAE course that counts as a 4th Science will meet graduation requirements, however it may not meet admissions requirements for certain colleges.
- ☐ American Government
- ☐ Economics
- ☐ Pathway Courses Needed (CTAE/Fine Arts/World Language):
• _____
- ☐ Other Courses/Electives:
• _____

NOTE: Potential NCAA athletes must meet core course requirements that are listed under each district high school's list of approved courses on the NCAA site. Science courses that come from the CTAE credit type to meet graduation requirements and/or Embedded Courses awarded elective credit do not meet the core Science requirement for NCAA eligibility.

*Not a choice for students planning to study a STEM (Science, Technology, Engineering, and Math) field in college and may limit admissions possibilities at any college or university.

** If Algebra II/Advanced Algebra is the fourth and final math course, then it may limit your post-secondary options.

Numeric Grade Point

Average: (NOT the Same as HOPE GPA)

Weighted: _____

Unweighted: _____

This is the numeric average of all courses on the high school transcript and the weighted GPA is used for class rank.

Pathway Completer?
Do you have a completed CTAE, Fine Arts, or World Language Pathway completed?

☐ Yes

☐ No

Dual Enrollment Program

As a **Dual Enrollment** student, I know that I must pass the following course(s) to meet graduation requirements. I understand that if I withdraw from any Dual Enrollment course (required or not required to meet graduation requirements) at any time during the semester, I must notify my counselor immediately. Withdrawal from a DE course without notification will result in a **69** on the transcript. See DE Form 1 for specific details.
