

## **Assistance with Medication**

(This form MUST be filled out each school year and anytime there is a change by the physician)

recommendations based on height and weight.  4. Students are NOT permitted to transport ANY medications to and from school. This is for the safety of all students. All medications should be brought directly to the front office/clinic by a responsible adult. All prescription medications must be brought in by the parent/guardian and given to the school nurse. (Medication count and verification will be done along with a Parent/Guardian signature)  5. For any medication that is kept with a student (ex. Inhaler, EPIPEN), please see the school nurse for appropriate form, which requires a Doctors signature.  6. It is your responsibility to pick up all medications and or medical supplies before the last day of school or the will be disposed of.  Name of Medications: ** Please note any side effects  1						
1. Prescription medication MUST be in the original container from the Pharmacy. The label must include the student's name, name of the drug, and instructions for use. It must include the physician's name and expiration date. All medications are to be provided by the parent/guardian.  2. We will follow the written instructions on the bottle for dispensing the medication or will require a written note from the Doctor to change this order.  3. Over the counter medications must be in the original packaging. Dosage dispensed will need to follow packa recommendations based on height and weight.  4. Students are NOT permitted to transport ANY medications to and from school. This is for the safety of all students.
