

Parent Lunch Guidelines

welcome to Dobbins Middle School! We are so happy to have involved and enthusiastic parents here at DMS. As you dine with your child today, we ask that you observe three rules:

1. Please confirm the time of your child's lunch prior to arriving at DMS.
2. Parent/guardians must check in the main office and obtain a visitors badge from the office staff before lunch.
3. If you choose to bring food from a restaurant, please make sure it is in a bag/container that *does not* have the name of the restaurant.
4. You may bring food for your child and yourself only. You may *not* bring additional food for other children.
5. Please eat with your child and *only your child* in the parent dining area of the cafeteria.
6. When lunch is over, please let your child return to the classroom with his or her class *by themselves*. Our teachers are on a tight schedule, so saying goodbye in the lunchroom helps them stick to their schedule.

Thanks again for your involvement in our school community, and welcome to Dobbins Middle School! We hope you enjoy your lunch with your child.
