Why Hiram Academy Computer Science?

Hiram Academy of Computer Science (HACS) desires to engage, inspire and prepare students with a globally relevant computer science education. Our competitive programs are designed for students who desire to think critically and solve real world problems.

Why Hiram Academy Computer Science?

- Prepare students for College/Career upon Graduation
- Ability to learn with a diverse student body & smaller school setting
- Unique opportunities to engage with industry professionals to gain valuable knowledge
- Students will have the ability to take AP, DE & WBL throughout the cohort
- State of the Art Computer Science Classroom and experiences

- AP Computer Science (A &B)
- Programming
- DE College Courses with local colleges and universities
- WBL with local business partners
- Opportunities to complete multiple pathways in multiple areas
- Students can graduate with Work Related Certifications, College Credits, and Real-World work experience

Job/Career Choices

- Software Engineer/Development
- Cyber Security Engineer
- Web Developer
- Mobile App Developer
- Video Game Developer
- Artificial Intelligence
- Computer Hardware Engineer

Transportation/Extracurriculars

- Transportation will be provided from specific hub locations across the county.
- Locations will be determined by the transportation department once the students have been accepted into the program.

_____

- Students will be eligible to participate in all school-related activities as an incoming 9th grader. This includes sports, fine arts programs, clubs, etc.
- We encourage ALL our students to GET INVOLVED in their Hornet experience!

Application Requirements

To be considered for admission, a complete application packet must include all of the following:

Report Card - attach a copy of the student's most recent 8th grade report card

YouScience Report – attach a copy of the student's YouScience Aptitude/Interest Results

Video Submission – submitted through the provided link

Discipline Report – student's discipline will be a part of the decision-making process

Three Recommendations Completed through the provided link:

*One from current 8th grade math teacher

*One from current 8th grade science teacher

*One from current teacher of your choice

Submit Admissions Application Packet in its entirety through the online submission found on the Hiram High School Website between January 10th and February 18, 2022. **Acceptance Notification by April 1st, 2022**
