

ART CLASS NEWS

Welcome to the First Days of School 2020-2021

Welcome to Art Class

My name is Mrs. Goodwin and I am so excited to teach art here at Moses Middle School. I started teaching art at Moses last fall and love inspiring creativity in my students. I have been teaching art for 18 years at the Booth Art Academy - first as a teacher and then as the manager of the facility.

This year might have some challenges but I am committed to you and the student's learning. I want you to know that I am available to you, I am here to answer any questions, and will help you in any way I can. I have two young boys myself and understand the challenges that families face right now.

In the art classroom I will be minimizing the amount of art materials that student's share and will be focused on keeping a "germ free" classroom. Some procedures in my classroom will be different then last year and they might change throughout the year depending on Covid-19 and state mandated procedures.

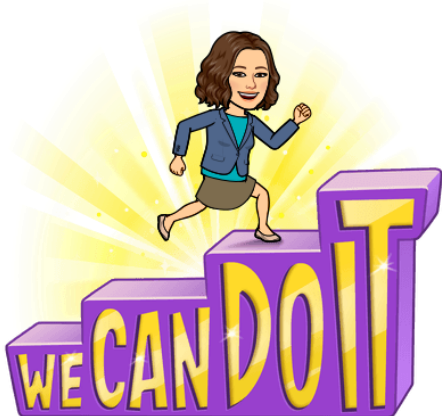

This week we will have digital learning days. Please log in to Canvas on Thursday and/or Friday to see the digital art lesson. Each digital learning lesson will be categorized by week. This first week I will have a nearpod link available for the student's to do and a welcome video. There will also be a practice upload - to make sure the student's know how to upload images from home.

Art materials needed:

- Art Journal
- Pencils
- Erasers
- Colored Pencils
- Markers

For the **art journal**: You can either get a three ring binder or pocketed folder that has three rings in it and put blank paper in it. A regular art journal will work perfect too. If it doesn't have pockets - you can either make pockets or get a folder to go with the art journal.

I am here for you! We can do this together!

Please email me or send me a message in canvas at anytime!! I will be posting pictures of the kids artwork on Instagram - so please follow the

art classroom at: **Moses Middle School Art.**
