

MIDDLE SCHOOL SUMMER PROGRAM

Summer 2021

MIDDLE SCHOOL SUMMER PROGRAM

an opportunity for middle school students to receive targeted support in reading and mathematics in a blended (face-to-face and virtual) setting, as well as a full-virtual setting. The summer sessions are condensed content from the year and previewing of essential standards for the next school year. These sessions benefit students who may need additional time with content so as to be successful in promotion to the next grade. Students who are invited to summer school will receive a letter and registration information from their school. Transportation information will be shared with any student registering.

Host Site	Visiting Schools
Herschel Jones	Moses and McClure
P. B. Ritch	Dobbins and East
SPMS	Austin and Scoggins

* Sites may be altered based on enrollment and participation.

MIDDLE SCHOOL SUMMER PROGRAM - DATES

Face to Face Program

- June 7 – July 2
- Tuesday, Wednesday, Thursday face to face at the Satellite Location
- Monday asynchronous virtual independent work

Virtual Program

- June 7 – July 2
- Tuesday, Wednesday, Thursday synchronous virtual instruction
- Monday asynchronous virtual independent work

MIDDLE SCHOOL SUMMER PROGRAM

Invitations for summer learning will be sent by your local school. If you have questions, please contact your local school administrator.

ACCELERATED MATH SUMMER EXTENSION

An opportunity for 6th and 7th grade students who are in the Accelerated Math Courses to receive additional time to master compacted courses in order to be successful in the next Accelerated Course or High School Algebra. If your child is interested in Accelerated Math Summer Extension, contact your local school administrator. Transportation information will be shared with any student registering.
