NPHS Parking Rules & Guidelines 2020-2021

In consideration for the privilege of driving and parking a motor vehicle on the campus of North Paulding High School, the student and parent hereby acknowledge and agree to abide by the rules and regulations of the Paulding County School District stated in the Parking Permit Application and Vehicle Registration form and the rules and regulations of North Paulding High School stated below.

1. All students desiring to drive a vehicle to school must purchase a parking permit for each vehicle that will be driven and parked. The student must show a valid insurance card, registration, and driver's license upon application for the permit.
2. The parking permit must be displayed appropriately.
3. The priority for purchasing permits will be as follows: Upperclassmen on school related work programs or in dual enrollment classes, Seniors and then Juniors. Due to lack of space, Sophomores will **NOT** be issued a parking pass under any circumstance.
4. The driver/owner of any vehicle will be responsible for the use of the vehicle while on campus and subsequently for any violation of any rules or regulations (shown below).
5. Vehicle owners agree to maintain adequate liability insurance and current registration.
6. Paulding County Board of Education shall not be responsible for any losses or damages to the property of users of its facilities, including loss due to bodily injury.
7. A student parking on campus whose vehicle does not have a valid parking permit will have the vehicle booted or towed away at the owner's expense.
 - a. Boots may be removed by paying \$25 on RevTrack; this must be paid before the boot is removed
 - b. Cars will be towed by Moore's Towing (770/443-0692); all fees will be paid directly to them
8. Revocation of parking privileges may range in length from a minimum of one day to the remainder of the school year. Serious offenses could result in permanent revocation. The length of revocation shall be at the discretion of the principal or his or her designee.
9. Students whose parking privileges have been revoked into the subsequent semester or school year will be eligible to purchase a parking permit and regain the privilege of driving and parking on campus at the conclusion of the period of revocation IF student parking spaces are available at that time.
10. Students whose parking privileges have been suspended or revoked will not be allowed to use daily/emergency parking.
11. Refunds will not be issued to students who have had their parking privileges suspended or revoked.
12. Students enrolled in Minimum Day, dual enrollment or other early release programs must meet the parking rules and regulations as stated. No exceptions will be made, nor special privileges extended, to students enrolled in any of these programs. This includes if a driver loses parking privileges; they will need to find a ride to and from school. If one cannot be found, open periods can be spent in ISS.
13. It shall be the responsibility of the student to keep track of the number of absences, tardies, and early dismissals he/she has accumulated. There shall be no warnings given prior to a student exceeding the number allowed
14. Vehicles are not permitted to display any flag, banner or message, which may be determined by school officials as being offensive or deemed disruptive to the safe and orderly operation of the school. This rule applies while the vehicle is being driven onto or off campus or while parked on campus. It also applies if the vehicle is being used to represent the school on an off-campus activity.

15. Students will not be permitted to utilize cell phones or other electronic devices while driving on school campus.
16. Students are responsible for any contraband in their vehicle. All vehicles parked on campus are subject to search.
