

Spartan Fans...

Friday Night Lights is finally back at South! We do understand that Friday Night Football is such a fun and festive event for many. Due to the current circumstances, we are under strict capacity guidelines for all PCSD Football games, thus making tickets very hard to get. With our first home game approaching fast, the school district and South Paulding HS are taking extra precautions to try and ensure as safe an environment as possible for our fans. We know that many would like to join us at the game and hopefully as we move later in the season, that opportunity will present itself. Many have been wondering about the process for purchasing tickets for next Friday's game vs. North Paulding, so here is that information.

Due to social distancing guidelines, the home and visiting schools will be allotted a certain number of tickets to sell based on a percentage of the total stadium capacity. We at South Paulding want to ensure that each student participant's family receives the opportunity to purchase **two (2)** tickets prior to any tickets being sold to the public. The parent/guardian of those participating on Friday night (i.e. football players, managers, cheerleaders, band members, and JROTC Color Guard) will receive an email from South Paulding HS on Monday, September 7th at 6:00pm, with a private GoFan link and a unique access code. If neither parent/guardian of participants receives this link by Tuesday morning at 8 AM, you should email your coach/director.

This will allow you to purchase up to **two (2)** tickets. Tickets are \$8 (plus a \$1 processing fee). You will have 48 hours to purchase your tickets. Ticket link and access codes will close on Wednesday, September 9th at 6:00pm. If you do not purchase your tickets within the 48-hour window, these tickets will be made available for sale on our public link that will be sent out the next day.

If the visiting school does not sell their ticket allotment, those will be returned to the home school and made available for sale on our public link as well. Visiting tickets will only allow access to the visitor side.

Ticket Timeline

Private Link and Access Codes to Parents – **Monday, September 7th at 6:00pm**

Private Link and Access Codes to Parents Ends – **Wednesday, September 9th at 6:00pm**

Public Link Goes Live, **the link will be published on our [SPHS Athletics website](#) and on Twitter [@SPauldingHS ATH](#) – Thursday, September 10th at 6:00pm**

Purchasing digital tickets in advance for any home game on the schedule, will allow for smoother and quicker entry, so we encourage you to buy your tickets before the game!

We expect this game to sell out quickly and do not expect to have any available tickets at the gate.

Seating & Social Distancing

We are asking that fans please adhere to our seating policy. Seats will be marked in pairs with red tape six (6) feet apart. **Please sit on the RED taped spots and do not sit in the unmarked areas.**

Masks are **STRONGLY ENCOURAGED**, especially while entering, exiting, or moving around the venue during the event (anytime you are unable to Social Distance).

FAQs...

Can I purchase extra tickets?

Yes. If we have more available to be sold on our public link on Thursday.

How do I purchase my Digital Tickets?

Visit GoFan.co and click *GET TICKETS*. You will need to create an account to purchase your tickets. Tickets are available on the GoFan – Digital Ticket app – download from your App store.

[Purchasing My Tickets Video](#)

How do I share the tickets with my family members?

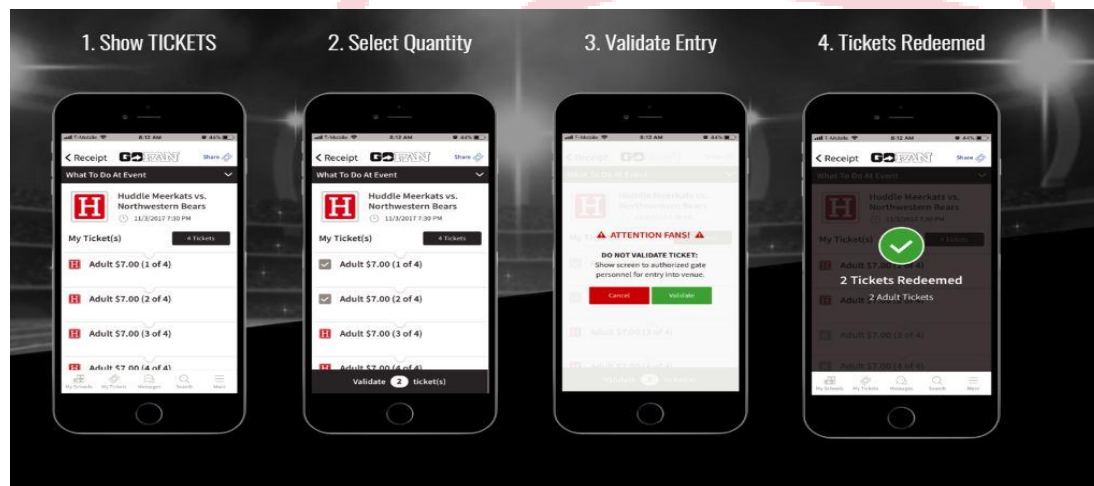

You will use the same login name for all family members to access the tickets if family members arrive at separate times.

How are my tickets validated at the gate?

When you arrive, you will select the pass/ticket you wish to validate, and press Validate at the bottom. There will be a warning box that pops up as a two-step verification. Let the ticket worker press the green validate button when you arrive at the game.

Once your pass is validated, it will reset after four hours during the Fall season. Once tickets are validated, they are gone. It is important to **not press the green validation button** until you have arrived at the gates. If the tickets have been validated before arrival, they are no longer active for admission into our events.

Can I access my tickets offline?

Yes – all GoFan digital passes and tickets are available for off-line use. Just download the ticket to your phone prior to arrival.

Will GHSA Passes & PCSD Employee Badges be honored?

Yes – both will be honored. GHSA passes will allow entry for the cardholder and one (1) guest. PCSD badges will allow entry for the employee only.

****NO ONE will be allowed inside the field level fence due to New COVID Restrictions****

What if I purchased reserved seating from the South Paulding TD Club?

You will enter via our Pass Gate on the home side of the stadium. Each member of your party should have a credential that will need to be punched prior to entry of each home game. Contact Michelle Jones (watsonriley@gmail.com) for credentials.

Will there be concessions sold during games?

Yes. Concessions will be open under strict health guidelines. Pre-packaged foods will be sold.

Will parents be allowed on the field after the games?

No. Due to new GHSA rules and guidelines, there will be no postgame handshakes. Thus we will be clearing the field of all participants at the conclusion of the game. We ask that you wait outside of the fence area for your student.

We look forward to seeing you at the game!
