

EPHS Snapshot

East Paulding High School, established in 1990, proudly serves the metro Atlanta community of Dallas, Georgia, along East Paulding Drive. As the second high school in Paulding County, born from a split with Paulding County High School, we have built a strong tradition of excellence. Our school is recognized for its commitment to academics, athletics, and the fine arts, emphasizing student achievement and the development of knowledge, skills, character, and confidence.

Beliefs

At East Paulding High School, our students are always our first priority. We are committed to providing a safe, structured, and supportive environment where learning can flourish. We believe that education is a shared responsibility, strengthened by active collaboration among families, educators, and the community. Strong, positive relationships inspire and motivate students, while rigorous and diverse learning opportunities lay the foundation for success in college, careers, and life. We know that students achieve their best when they are actively engaged in learning, building essential skills, especially literacy—that open doors to lifelong opportunities. Guided by data-driven instruction, reflection, and differentiation, we continuously strive to meet the unique needs of every learner and support them in reaching their highest potential.
