

# HEALTHCARE PATHWAY

Interested in receiving college credit and certification to work in the healthcare field while still in high school?

## **Paulding College & Career Academy**

Paulding College & Career Academy (PCCA), in conjunction with Chattahoochee Technical College offer several dual-enrollment courses, open to all high school Healthcare Pathway students. Courses include Certified Nurse Assistant, Medical Terminology, Patient Care Tech, and more! Courses are available to students after they have completed Introduction to Healthcare and Essentials of Healthcare. Students become work-ready certified with clinicals occurring at WellStar Paulding Hospital, as well as receive college credit for the classes. An important, must attend meeting for students and parents will take place at PCCA on Thursday, February 27. Please attend to learn more about dual enrollment requirements, course requirements, and class availability. Email questions to [SMcCoy@paulding.k12.ga.us](mailto:SMcCoy@paulding.k12.ga.us)
