Dear AP Students and Parents,

Taking the Advanced Placement exams is an important part of all AP courses. Paulding County High School desires that all students take AP exams for the AP classes that they have taken. Scoring well on an AP exam can often earn students college credit for their high school class, saving a significant amount on tuition.

Students taking AP courses during the Fall Semester must register for the exams prior to November 2, 2020.

For the 2020-2021 AP exams, students at Paulding County High School will be registering online. This registration will take a few minutes and can be completed from any computer with internet access.

This year each AP exam costs \$99.00. Paulding County High School desires that every student be able to take their AP exams. Students requiring financial assistance should contact Dr. Robin Davis, rmdavis@paulding.k12.ga.us, at PCHS to learn more.

Online Exam registration will begin on Monday, September 8 at 12:00 AM and end on Monday, November 2 at 11:59 PM. Students should click on the link provided on the school website or visit www.TotalRegistration.net/AP/110960 to register. A \$40.00 non-refundable deposit per exam is required at the time of registration. To complete registration, students must answer all the required questions. Registration is not complete until students have printed the pdf of the confirmation page that is provided at the end. We know that parents may desire to register their students for exams. We strongly recommend that parents and students are both present while registering to ensure that the correct exams are ordered.

Paulding County High School is excited to offer families the convenience of paying exam fees online at the time of registration. Please be sure to have a **credit card or debit card available before beginning registration**. Paying online is a great way to make sure that payment has been made while avoiding mailing a payment.
