

# “Lunch to Go” Meal Plan Update

To improve the efficiency of our Lunch to Go meal program, minimize trips for parents and reduce the risk of virus exposure, the school district will provide a week’s worth of meals at a single pickup on each Wednesday of the school closure. Parents will receive five days of meals (five breakfasts + five lunches) for each child.

Food distribution will take place April 1<sup>st</sup>, 15<sup>th</sup> and 22<sup>nd</sup> at eight school locations throughout the county listed below and on the accompanying map. *There will be no food distribution on April 8 due to spring break.* Here is the new schedule for meal pickups during the school closure:
