## THE END OF THE 2020-2021 SCHOOL YEAR IS APPROACHING FAST!

Dear Paulding County School District High School Families,

The 2020-2021 school year has been a unique but rewarding experience for our high school communities, and we are proud of all of our students for making it a year to remember! Before we know it, the school year will be drawing to a close. Here are three important updates to help your planning:

### 1 IN-PERSON 5-DAY SCHEDULE

Effective April 12 (following Spring Break), and provided the incidence of COVID-19 spread in our community remains at a decreased level, all PCSD high schools will move to a five-day per week in-person instruction schedule. This schedule shift will assist students with preparations for End-of-Course Tests and final exams.

### 2 SENIOR CELEBRATION

Each PCSD high school will host a one-of-a-kind 2021 Senior Celebration in lieu of a traditional prom. These senior-focused events will be held on campus later this spring, outdoors, and will follow all COVID-19 protocols in place at the time. More information will be provided by your schools once dates, times and other details are determined.

### 3 GRADUATION - (PLEASE NOTE NEW START TIMES)

- Each PCSD high school will host one graduation ceremony.
- Each graduating senior will receive a limit of four graduation tickets.
