As we strive to continually improve student achievement in our schools, we invite you to please join us as we share additional information about the various programs Paulding County School District has in place for school and district improvement. The Comprehensive Local Improvement Plan (CLIP, Federal Programs), Comprehensive Local Needs Assessment (CLNA, Perkins V), and accompanying Needs Assessments outline improvement plans and are revised each school year. We will hear from teachers, parents, and students regarding the positive impact our federally-funded initiatives have on teaching and learning for all students.

Discussion Topic:

Active Federal Program Budgets

PARTICIPATION MATTERS

Your participation is not just requested; it's urgently needed to guide the future of our educational initiatives. We look forward to meeting and sharing with you! For more information, please contact Tameka Walker at tmwalker@paulding.k12.ga.us.
