

For Students Who Will Attend School Under the In-Person Instruction Option Only

Open House is a great tradition in the Paulding County School District. Because we want to minimize the potential for exposure created by large group gatherings, Open Houses for the 2020-2021 school year will be somewhat different from past years depending on which of these groups you are in.

<p style="text-align: center;">GROUP 1</p> <p>Students entering grades: 1, 2, 3, 4, 5, 7, 8, 10, 11, or 12 who are not new to the school.</p>	<p>Schools will be planning a “virtual open house” for all returning students. Dates and times will be forthcoming.</p>
-------------------------------------------------------------------------------------------------------------------------------------------------------------	-------------------------------------------------------------------------------------------------------------------------

<p style="text-align: center;">GROUP 2</p> <p>All students entering Kindergarten, 6th grade and 9th grade, and all students new to the school.</p>	<p>For these smaller groups, Open House will take place in the traditional fashion <u>at the schools</u> – with attention to social distancing and enhanced safety precautions. Here is the schedule:</p>
---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------	-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------
