Getting Ready for the 2025-2026 School Year

Dr. Tiffany Frachiseur, Associate Superintendent, provided an overview of the recent [BUILD Conference](#), a three-day professional learning event that brought together school administrators, school leadership, instructional leaders and presenters from across all divisions. The conference encompassed the district's theme for the 2025-2026 school year, *Leading with Purpose*.

Julie Ragsdale, Chief Information Officer, outlined the extensive work the [Technology Division](#) has completed over the summer. Projects included instructional technology planning, device updates for the 1:1 initiative, classroom interactive panel refreshes, enterprise software upgrades, and network infrastructure improvements. These initiatives were implemented alongside technology components of various school construction and renovation projects.

DeeCarol White, Chief Talent Officer, and Jennifer Gavant, Executive Director of Human Resources, shared updates on their summer work to support staff recruitment and retention. Their efforts included the New Teacher Orientation, New Teacher Academy, and onboarding to welcome new employees to the district.
