Superintendent Report

Mr. Barnette shared *"District News"*...

More than 200 individuals attended the Classified Job Fair on July 26th.

New Teacher Orientation took place last Thursday and Friday. The District welcomed 300+ new teachers. Thank you to the HR Department for their hard work and Ritch Middle School for hosting the event.

Many events are happening around the District in preparation for the new school year including Administrative Pre-Planning, Safety Coordinator Meetings, and Athletic Coordinator meetings, to name a few.

Jason Freeman, Chief School Leadership Officer, gave an update on July 28th Open House. Information can be found on the District website with staggered times to allow for families to attend multiple Open Houses.

Information went out on July 28th regarding the August 5th Digital Learning Day. High schools will return to 5 days a week and the Parent Information Guide will be online this year through the Parent Portal.

The COVID task force will remain in place as the school year begins at the GREEN operating level. The dedicated COVID webpage will also remain in place with information and the district will continue to send out notification letters to parents.

A press release was shared regarding the Georgia Milestones. While some scores have not yet reached pre-pandemic levels, the results clearly show that academic recovery is well under way in Paulding County Schools. [Click here](#) for the press release.

The monthly financial update was presented with revenues of \$308.5 million, expenditures of \$280.4 million and an unassigned fund balance of \$75.2 million.

The next Board Meeting will be August 9th at 5:00PM.
