In the Site ID field, enter the host ID if the district's SAM Server is hosted by a data center. The host ID is the number that starts with h followed by eight digits in the SAM Server URL:

- SAM Server URL: http://h100000000.[server name]
- Host ID: h10000000

If the district SAM Server is locally installed, enter the server URL in the Site ID field:

• http://[SAM Server Name or IP Address]:55880

SAM Server URL information is also available from the district SAM administrator.

Additionally, microphone access should be set to allow *READ 180* Universal to access the iPad's microphone.

Press the Home button to return to the iPad Home Screen. Tap the Student App icon and log in to access the Student App on the iPad.
