## Superintendent Report

Mr. Barnette shared *"District News"*...

The district remains at green operating level as our county is now considered "low" status.

A recommendation to extend the district's Strategic Waiver School System (SWSS) contract with the Georgia Department of Education for two additional years will be added to the May 10th consent agenda for approval. The district receives flexibility in the form of waivers of certain state laws, rules, and guidelines in exchange for greater accountability for increased student performance.

The Teachers & Employees of the Year will be celebrated on May 3rd at Piece of Heaven in Dallas.

Special Olympics was held, in-person, for the first time in 3 years at PCHS. Thank you to the staff, volunteers and business partners for a successful event!!

Georgia Milestone Assessments (GMA) began this week.

Congratulations to Nolan Evans, Shelton 4th grader, for a first place win at Georgia State Technology Competition!!

The monthly financial report of revenues, expenditures and encumbrances were reviewed for February 2022. This board meeting was the first of two official public meetings on the FY23 budget. May 10th will be the next public meeting on the FY23 budget.

On May 5th, the Chamber of Commerce, will host the State of the Schools luncheon.
