Superintendent Report

Mr. Barnette shared *"District News"*...

Jim McMichen, Executive Director of the Paulding Education Foundation, shared great things the Foundation has contributed to the district including scholarships and classroom grants. Upcoming events for this school year will include Foundation Thursday on October 2nd and March 2nd, Casino Royale on February 4th, and the Teacher of the Year Celebration on April 18th. Already this year, was able to give 100 winners of the Quick Cash for Classrooms Grant, a \$100 grant to purchase items for their classroom.

GaDOE will be distributing \$125 Back-to-School-Supply Supplements to eligible school employees.

Julie Ragsdale gave a COVID update and the COVID-19 Operating Plan remains in place for this school year. The COVID-19 Task Force is still actively monitoring cases and the district remains in the Green Operating Status.

Jason Freeman, Chief School Leadership Officer, and members of School Leadership introduced our new principals for the 2022-2023 school along with new members of the Central Office leadership team.

Trey Studstill, Senior Executive Director of Transportation, shared an update from the Transportation Department. Challenges this year include overall district growth, an increase in ridership and a nationwide bus driver shortage. The department is working on balancing bus loads every day and typically this process takes until Labor Day. The department has hired new drivers that are in the training process, however, the biggest challenge is driver retention. Information for applying to be a bus driver can be found on the website or [clicking here](#). Safety is the most the important goal and therefore no bus will operate over capacity and every student must be seated. The district is asking that the community to be patient with our Transportation Department at this time.

The next School Board meeting will be August 23rd at 8:30am.
