Superintendent Report

Mr. Barnette shared "District News"...

Just a reminder that the COVID-19 updates have moved to a monthly report. Currently the district has 9 cases.

The next Capital Improvements update will be at the October 11th Board Meeting. The district will begin providing a monthly report. Work continues on the 5-Year Facility Plan and Full Master Facility Plan. The Department of Education granted preliminary approval of the design plan for the Seven Hills Middle School Project.

September 29th will be the Seven Hills Middle School Project groundbreaking at 10:00 AM.

Transportation continues to manage a bus driver shortage. Significant progress in hiring of drivers has been made, however, we also continue to operate in a highly competitive and fluid labor market.

An Active Shooter Tabletop Session took place last week with our Safety & Security Team and Session 2 was conducted this week on September 14th.

All 5 high schools sent students from their Student Athletic Leadership Teams to West Ridge Church to participate in a Student Athlete Leadership Conference led by Jack Williams, author of *A Guide to Answering Life's Most Important Question*.

Congratulations to McGarity Elementary for receiving their STEM Certification and Paulding County High for receiving their STEM Re-certification. Thank you to Sarah Graham, K-12 STEM and Science Coordinator, for her efforts working with these schools, and also Richard Woods, State School Superintendent, who presented each school with a banner.

The Hiram High School Drama program was granted permission as the ONLY Georgia high school to perform Disney's Broadway Musical *Frozen* !! Only one high school per state was selected through a contest this past summer.

The district joined the Paulding Board of Commissioners to sign a proclamation for Retired Educators Day in Georgia, which will be November 7th.

September 27th is the next Board of Education meeting beginning at 8:30 AM.
